

## *40 Days Devotional Journal*

On this 40-day journaling journey you'll learn to discern God's voice as you discover the rich treasures that can be harvested from unexpected seasons of sufferings. God has a reason for any season of suffering and promises to walk with us to a deeper place of surrender where we can enjoy the abundant life He provides. Each of the 40-days includes liberal journaling space and:

- \* Anointed sketch by artist Jan Foland\*
- \* A poignant meditation
- \* Scriptural focus
- \* Points of reflection
- \* Prayers of repentance and submission
- \* A word from the Father's heart
- \* Space to journal your personal word from the Father

*40 Days Devotional Journal* is a powerful spiritual tool for any time of year, but especially appropriate for spiritual reflection during the 40-day Lenten/Easter season. The journal can be used effectively by itself or as a supplement to *40 Days* (Word & Spirit Publishing). To download free *40 Days* Spiritual Guide, click here:
