

From the Wilderness to the Miraculous

While documenting miracles from around the world for her book, *Extraordinary Miracles in the Lives of Ordinary People*, Therese entered a long-term season where miracles were nowhere in sight. After navigating a lengthy terrain of intense physical and emotional suffering, Therese emerged with a message of hope for those facing painful circumstances. Therese's powerful testimony demonstrates that suffering can produce miraculous transformation—if we refuse to quit.

From the Wilderness to the Miraculous will inspire you to a deeper faith and trust in God, even when nothing makes sense. As you take this journey through the wilderness with Therese, you'll find hidden treasures she discovered, including her life-changing revelation of God's love.

Designed for personal study or group settings, each chapter in *From the Wilderness to the Miraculous* is followed by reflection and discussion questions, focused prayer and meditation.

Therese taught and recorded a 16-week on-line series highlighting and magnifying the spiritual truths of each chapter of *From the Wilderness to the Miraculous*. This series is available on YouTube—Go to Video and Audio Resources page for links. May God bless you as you navigate the wilderness with Jesus!
