

## *Miracles Still Happen*

*Miracles Still Happen* is a faith stirring anthology of supernatural miracles God is performing on the earth today. This inspiring book will lead many to the God of miracles through a relationship with Jesus Christ and will increase faith for the miraculous.

As you read these true eye-witness accounts of God's miraculous demonstration of power in supernatural healing, provision, protection, signs and wonders, deliverance and creative miracles, you'll see that God is moving in the miraculous today as He has been from the beginning!

God is sending His miracle testimonies around the globe for His glory! Please join Therese in praying that God raise up an army of writers to document and proclaim His wondrous works in the earth!

***God is on the move!***
